### Additional requests

Please return form to

[rachel@crosshallmarine.com](mailto:rachel@crosshallmarine.com)

or contact Rachel directly on 07393148015 if you have any questions or would like to book an appointment to discuss winter work.

Please note if you wish to use any outside contractors, please ensure they are booked in with us and can supply to appropriate liability insurance. We are also happy to recommend contractors to best suit your needs.

We are limited on lifting space and will except all forms returned on a first come first serve basis, however, may prioritize if boats need to be lifted as a matter of urgency.

Providing a launch date is critical for us to plan an effective lift and re-launch schedule. We need to ensure that your vessel will not be blocked in by and will not be blocking in any other vessels. If you plan to work on the vessel yourself, please make sure that the craft is ready to be launched by the specified launch date. Otherwise, depending on

the circumstances of the delay, you may incur a Relocation Fee. Therefore, the specified Launch Date should be the (latest) date by which your vessel is expected to be ready for launch. Your vessel will be launched on or shortly after the specified launch date, or earlier if mutually convenient. Please leave outdrive (s) in the up position and ensure we have a set of keys for your vessel.
